HW STUDENT CONTACT FOR PARENTS/OVER 18'S

Here at HW Dance we want to make sure you and others around you have the best class experience. We also have a good reputation that all of our students have managed to build. (A lot of this is common sense for a lot of our students and parents!) As always at HW Dance we have our students best interests at heart and as part of our child protection policy we like to make sure our students come prepared, and know what is expected of them.

1. I have read through the 'under 18s' contract with my child, and understand it (if applicable)
2. I have filled out and understood the PARQ form
3. I understand payment is taken monthly for each class
4. If you can not make a class, please contact HW Dance with in 24's hours prior to the class, so you will not be charged (any late notice of absents will still be charged)
5. I understand payment is required with in 10 days of an invoice being issued.
6. I understand that should I wish to leave a class I must give 1 months notice to avoid being charged for the next month
